UZMAR Gemi Insa San. ve Tic. A.S. is a leading company in tug boat manufacturing.

Being Uzmar management, our duty is to ensure that all our employees work in a healthy and safe environment.

- We undertake to protect our employees against losses that may arise due to work accidents.
- We will comply with all legal and other requirements and occupational health and safety standards in our workplace.
- We will continuously carry out improvement studies to meet the consultation, needs and expectations of our employees and employee representatives.
- We will strive to eliminate all dangers that threaten the safety of life and property such as disease and fire.
- We will aspire to identify and eliminate the risks of work accidents and occupational diseases or to reduce them to acceptable limits.
- We will continuously train our employees on occupational health and safety issues.
- We will share these principles with everyone and review and continually improve the compliance of our system.

With the awareness that the prevention of accidents and losses is the joint responsibility of the management and employees, we will comply with all occupational health and safety rules and procedures.
