UZMAR Gemi İnşa San. Ve Tic. A.Ş is a leading company in the manufacture of tugs. As Uzmar management, our duty is to ensure that all our employees work in a healthy and safe environment.

- We are committed to protecting our employees against any loss due to work accidents.
- We will comply with all legal and other requirements, occupational health and safety standards in our workplace.
- We will endeavor to remove all threats that threaten the safety of life and property, such as sickness and fire.
- We will aim to identify occupational accidents and occupational disease risks, and remove them completely or keep them within acceptable limits.
- We will continuously train our employees on occupational health and safety issues.
- We will share these principles with everyone, and review the suitability of our system and constantly improve it.

We will comply with all occupational health and safety rules and procedures with the awareness that the prevention of accidents and losses is the joint responsibility of management and employees.
